

Technical drawing of a crane boom assembly, showing a side elevation view. The drawing includes numerous dimensions and callouts for components.

Dimensions:

- Overall width: 17301
- Overall height: 12444
- Height from base to boom pivot: 8305
- Height from base to boom pivot (alternative): 2764
- Height from base to boom pivot (alternative): 2654
- Height from base to boom pivot (alternative): 1035
- Height from base to boom pivot (alternative): 4758
- Height from base to boom pivot (alternative): 9720
- Height from base to boom pivot (alternative): 17263
- Height from base to boom pivot (alternative): 8559
- Height from base to boom pivot (alternative): 1194
- Height from base to boom pivot (alternative): 2718
- Height from base to boom pivot (alternative): 3505
- Height from base to boom pivot (alternative): 9550
- Height from base to boom pivot (alternative): 12703
- Height from base to boom pivot (alternative): 16005

Callouts:

- 1: Boom
- 2: Boom
- 3: Boom
- 4: Boom
- 5: Boom
- 6: Boom
- 7: Boom
- 8: Boom
- 9: Boom
- 10: Boom
- 11: Boom
- 12: Boom
- 13: Boom
- 14: Boom
- 15: Boom
- 16: Boom
- 17: Boom
